Re: Leap's 12th E911 Quarterly Report

Dear Madam/Sir:

Pursuant to the Commission's July, 2002 Order to Stay,<sup>1</sup> Leap Wireless International, Inc. (and its Cricket Communications, Inc. subsidiary) respectfully submits its twelfth Enhanced 911 ("E911") quarterly implementation report for the period ending August 1, 2005.

1. Status of Pending Requests

As of July 30, 2005, Leap provides Phase I service to 206 PSAPs in 18 states and Phase II service to 126 PSAPs in 13 states.

In accordance with the FCC Public Notice released on June 6, 2003, CC Docket No. 94-102, the attached Appendix A lists the status for all Phase I and II requests including PSAPs deployed, pending, and invalid requests due to the serving area falling outside of Leap's coverage area.

---

<sup>1</sup> See Revision of the Commission's Rules to Ensure Compatibility with Enhanced 911, Order to Stay, CC Dkt No. 94-102 ¶¶ 28-30 (rel. July 26, 2002) (the "July Order").

Leap has 4 Phase I requests and 5 Phase II requests that are currently in the process of deployment. These requests will be deployed within the 6-month timeframe or a timeframe that is mutually agreed upon with the PSAP, as noted in the "Projected Deployment Date" column on Appendix A.

## 2. Status of Handset Deployment

All handsets currently sold by Leap are location-capable handsets. Leap reviews its sales projections every month and is working towards meeting the requirement of 95 percent penetration with location-capable handsets among its subscribers by December 31, 2005.

As required in the July Order, Leap is providing this implementation report to the Association of Public Safety Communications Officials (APCO), the National Emergency Numbering Association (NENA) and the National Association of State Nine One One Administrators (NASNA). If any recipient of this report should have questions or comments concerning the information contained in the report, they should contact Geri Freeman, Engineering Manager, at 858-882-9086 or Laurie Itkin, Director-Government Affairs, at 858-882-6226.

Please note that I am an officer of Leap. Please note also that this notarized Report will, in accordance with the July Order, serve as an affidavit authenticating the facts set forth herein.

I swear under penalty of perjury that the facts set forth herein are true and correct to the best of my knowledge information and belief.

A handwritten signature in cursive script, appearing to read "Glenn Umetsu".

Glenn Umetsu  
EVP & CTO
